Don't just take our word for it.

Fico were so easy to talk to. They have such practical business and valuable financial knowledge, and they are really motivated to help you find a suitable solution. Being a Nelson business means they can also take into consideration a person's character and local standing when it comes to finding that perfect financial solution. They are a finance company where it's not all just about the money. Fico Finance have real heart and I would recommend them, majorly.

Mike Harvey
Developer

From the first meeting, Fico Finance asked all the right questions and they offered valuable suggestions regarding financial structure. In all of our ongoing business relationships, I have found Fico Finance to be honest, straight forward and enjoyable to work with. I have no hesitation in recommending them. Our ongoing business relationship works well for both parties, and it is a relationship that I hope continues for some time to come.
